Attention: Mr. David M. Greenberg:

Gentlemen:

The undersigned is Of Counsel to Milbank Trading Co. Inc., in connection with the above proceeding.

I have reference to the subpoena duces tecum served on Milbank Trading Co. Inc., (Milbank) by certified mail and received by Milbank on April 19th, 1971. This subpoena duces tecum called for the production of certain documents and records and Milbank was advised that personal appearance would not be required. By verbal arrangement with Mr. Greenberg, the time for the production of the documents and records was extended to May 4th, 1971.

In partial compliance with the subpoena duces tecum and the items enumerated on the attachment to the subpoena, the following information is furnished:

Item No. "2" - Milbank had previously furnished with my letter of December 24th, 1969, a list of all salesmen then employed by Milbank. The only salesmen currently employed by Milbank are set forth on the attached schedule.

Item No. "3" - I am advised that there is no other literature sent by Milbank Trading Co. Inc., or its agents to prospective purchasers of whiskey warehouse receipts or whiskey other than the exhibits submitted during the deposition of Mr. Albert J. Deeb taken on December 10th, 1969, and additional exhibits sent with my letters of December 24th, 1969 and January 19th, 1970.

Securities and Exchange Commission

May 3rd, 1971

Item No. "4" - I am advised that Milbank does not place any advertisements in the news media in connection with the sale of whiskey warehouse receipts or whiskey.

Item No. "5" - I am advised that there are no parents, subsidiaries or affiliates of Milbank except as the controlling shareholders which are set forth in response to Item "6", may be considered as "parents".

Item No. "6" - Attached hereto is a list of all persons with their addresses who are presently, and who have been, officers, directors, partners or shareholders of Milbank.

With respect to Items "1", "7" and "8", Milbank is making a motion before the Securities and Exchange Commission in Washington, D.C., in the form of a motion for a protective order to modify the subpoena so as to eliminate therefrom Items "1", "7" and "8", upon the grounds set forth in the Notice of Motion. A copy of the Notice of Motion is herewith handed to you.

It would be appreciated if an admission of service were endorsed on the Notice of Motion in order that the same may be forthwith mailed to the Secretary of the Commission.

Yours very truly,

We wish to acknowledge receipt of yours dated October 16th, and to assure you that Milbank of New York is responsible for the warehouse and insurance charges on your holdings for four (4) years. After the four years have expired you will be billed direct.

We also wish to advise that we have no connection with Milbank of Conn., other than the fact that we sell to them on a wholesale basis.

As you no doubt know, Milbank of New York sells strictly wholesale, therefore, the only assistance we may be able to give you, insofar as disposition of your holdings is concerned, is to try to find a wholesaler to buy same. This we will try to do, but it may take some time.

Dear Pat: WARCHOUSING AND INSURANCE HAVE BEEN CAN YOU NOW ANSWER QUESTIONS ?? AND 3 MARKED BELOW?

AND 3 MARKED J.H. SUTHANA

Sation --WHOLE SALERS ARE YOU NOT?

This will confirm our telephone conversation of last Tuesday. October 10th.

In a phone conversation with Al Deebs, Milbank of Conn., on Friday, October 6th, he asked that I call you and said that you could answer my questions.

When we talked, you said you had a copy of my last letter of Sept. 15th to Milbank of Conn., attaching, among other things, a lotter and bill from Inver House in connection with warehousing charges on my two parcels of 1968 and 1969 scotch fillings. You will recall. Inver House say they have no record of warehousing costs having been paid on either my 1968 or 1969 scotch fillings. My big question is...have they or haven't they been paid. and, if they are, what do I do whon the four year poriod is up on each block I own, the 1968 and 1969?

The same question holds true on insurance. What do I do when the four-year portods expire on the 1968 and 1969 parcels?

You asked that I attach a copy of a statement received from Milbank It is attached, marked "I". 'ly question is... what is the source of of Conn. this document. It implies a shortage of 1968 and 1969. Do you have any information on this?

Also attached is a report by the Institute for Business Planning, Inc., also sent me by Milbank of Conn., which you asked for. You will notice on the second page, reference is made to the tax treatment of carrying costs. It says carrying costs and charges are not currently deductible. I presume this means warehousing and insurance costs. My question is this....can you give me a broakdown of the \$2.60 per gallon purchase price that I said for these two parcels?

For instance, what was the actual price of the 1968 and 1969 parcels for the scotch alone? What amount was included in the \$2.60 per gallon for warehousing? And, how much for insurance? The balance, then, I presume, would be Milbank's brokerage fee, profit, or whatever you would call it. Can you give me a dotailed statement showing the various costs that go to make up the purchase price of \$2.60 per gallon? Pleaso lot mo have the answers to these questions because I'll need it sometime. I hope, for income tax purposes.

Is Milbank, at the above address, the parent company? You will recall. I bought these two parcels from Marry Welch, w as then Milbank of Florida, but you have said you have my records.

In the report attached from Institute for Business Planning, reference is made to whiskey investment contracts. Is what we have an investment contract?

This same report says, "You must not handle the resale yourself..."
How do I dispose of it? Through you?

And. last but not least, who, what or how do I go about disposing of this investment now, if I want to. Attached is a copy of a letter I wrote Carl Walden after he had offered me, by sphene, \$3.10 per gallon for my 1968 and \$2.90 for my 1969. I never heard from him.

The answers I got to my questions of Milbank of Conn., both by 'phone and recently my letter of September 15, 1972, on warehousing costs, have still not been answered. I must say that unanswered questions, lack of response, etc., and uncertainty expressed when I ask questions, leaves me a bit uneasy about this entire investment.

You answers to these questions will go a long way toward easing my mind, and will appreciate your assistance. You will recall, the water beckens and a best investment, right new, seems more enticing than long-term gains.

Yours very truly.

Dear Mr. Wilden:

Back in September of last year. I wrote you a letter and asked some questions about the scotch whiskey fillings I bought from Harry Jelch when he was with Milbank of Florida.

Before you even received my letter, you telephoned me at home one evening and we discussed the various questions that were in my letter.

The reason for these questions were, as I mentioned in our conversation, to give me some feel for the worth of these holdings as I had in mind buying a new boat in the Suring. I sold the boat I had late last Fall and now, with Suring coming up, the thought of being without one, I realize, is out of the question.

In our 'phone conversation, you offered to buy the 37 barrels of 1968 that I own for \$3.10 a jallon, and the 37 barrels of 1969 at \$2.90 a gallon.

If this offer still holds good, please let me know what we need to do to complete the transaction.
